PROFILE

Highly motivated and detail-oriented finance and economics professional with robust academic background and practical experience in the public and private sectors. Eager to leverage my skills in financial reconciliation and analysis to contribute to Umba's mission of delivering accessible and cost-effective financial services across Africa. Seeking to bring my proficiency in accounting principles, strong analytical abilities, and programming knowledge to the Finance Intern role.

WORK EXPERIENCE

Audit & Tax Intern

Kiige & Associates CPA-k

Jan 2024 - May 2024

- Collaborated on audit preparations, streamlining the compilation and analysis of financial statements.
- Conducted in-depth financial analyses to support strategic client advisory services.
- Executed precise tax computations and ensured accurate and timely filing for diverse clients.
- Participated in high-stakes client meetings, meticulously documenting actionable insights.
- Enhanced proficiency in accounting software, notably QuickBooks and Sage, optimizing financial processes.

Attaché

Tourism Fund

June 2022 - August 2022

- Supported the finance team in crafting detailed financial reports and maintaining comprehensive records.
- Played a key role in budget preparation and meticulous expenditure tracking.
- Conducted impactful research and analysis on financial policies influencing the tourism sector.
- Delivered administrative excellence through accurate data entry and effective document management.
- Fostered teamwork and collaboration, ensuring timely and high-quality completion of financial projects.
